VIBRANT GOA GLOBAL EXPO AND SUMMIT 2019

Goa is known for its natural beauty, friendly people and is a great attraction for tourists but many do not know that Goa is an excellent option for creative and knowledge based industries. Goa is a pharmaceutical hub where life saving drugs are manufactured and is also on its way to transform itself as a knowledge center with IITs, NITs, BITS, GIMs besides other educational institutions making it their home.

The idea of bringing honorable PM Shri Narendra Modi’s Vibrant legacy to regional level turned out very well with the success of Vibrant Kutch 2015, Vibrant Saurashtra 2016 and Vibrant Tamilnadu 2018.

On the basis of overwhelming inputs received from potential exhibitors, industrialists, political leaders and potential business visitors, the business community of Goa has encouraged us to continue the Vibrant series and recommended us to organize the same for Goa.

Indian Embassy Business Meet spotlights Vibrant Goa Global Expo
Message from From Hon. Chief Minister of Goa

It was my pleasure to have been a part of the launch program in Dec 2018 of Vibrant Goa Global Expo and Summit 2019 to be organized in Goa from 17 to 19 October 2019.

I am also happy to note that topics at knowledge summit will be based on the Goa Vision 2035 report formulated during Goa’s Golden jubilee celebrations under chairmanship of Dr. Raghunath Mashelkar. It is highly appreciable to see that Vibrant Goa roadshows are being organized in 17 countries and in 20 state capitals of India to attract business community from all over the world and India to trade and invest in Goa. All these initiatives I am confident will support Government’s efforts to boost business, create employment and contribute towards our Late Leader Shri Manohar Parrikar’s vision of a Happy and Vibrant Goa. I take this opportunity to confirm full support of the Government towards this initiative and appeal to business, academia & institutions across the world to participate in large numbers and enjoy the hospitality of Goa at the Vibrant Goa Global Expo & Summit in October 2019.
